UNIVERSITY

REPORT ON THESIS DEFENCE

Miss Fizza Iqbal has successfully defended her M.phil thesis in the field of Microbiology at the defense held in Abasyn University, Peshawar Campus, and qualified for the award of M.phil degree.

She did her research on “**Biodegradation of Polyurethane Foam by Bacteria Isolated from Soil Samples of Waste Disposal Sites**” under the supervision of Dr. Riaz Muhammad, Assistant Professor, Abasyn University Peshawar Campus. Dr. Hamid Khan (Assistant Professor, Sarhad University, Peshawar) served as her external examiner and Dr Abdur Rehman (Assistant Professor, Abasyn University) served as internal examiner for the evaluation of her thesis.

The defence was attended by a large number of faculty members and the students.
